

# Judgment Day is Coming

**Romans 14:12 "So then every one of us shall give account of himself to God."**

I know that there will be many shocked people on Judgment Day in God's court, because most people think wrongly. As humans, we tend to categorize sins and decide which sins are bad, which sins are not so bad, and which we don't think are sins at all.

For example, American society today has accepted the sin of abortion (which the Bible calls murder in Exodus 20:13). Abortion is a wicked and horrible sin, which MANY people have chosen to call acceptable, necessary and the right choice for an irresponsible couple who conceived that child. Yet, the same spiritually deranged people condemn anyone who dares to publicly speak out against abortion, labeling such preachers as hatemongers, bigots and even terrorists. In many states, such abortion protestors can now be legally fined and the law prohibits them from filing for bankruptcy. The abortionists couldn't be more pleased. But you know what, when those abortionists are burning in Hell for eternity, they won't be so arrogant and filled with sinful pride against God then. They'll be more sorry than you could ever imagine. The day of the wicked is soon coming to and end. It is the abortionists who will be severely judged on Judgment Day in God's court. Praise God for every abortion protestor who tries to save a life. What is wrong with America? You people have immoral sex and then want to murder the baby. That's just sick!

Another example is the horrible sin of divorce. Americans have accepted this wicked sin as allowable in God's eyes; but God hates divorce (Malachi 3:16). The wife who condemns her husband for his handful of sins will give account to God for her truckload of sins. So many wives sinfully divorce their husbands and then go through life speaking of his handful of sins, how evil he is and making disparaging remarks about him at every opportunity. Such self-righteous and hypocritical wives will be shocked on Judgment Day when God throws the book at them. Jesus plainly taught that those who refuse to forgive will not be forgiven. **Matthew 18:35, "So likewise shall my heavenly Father do also unto you, if ye from your hearts forgive not every one his brother their trespasses."** Divorce is rooted in unforgiveness and self-righteousness. The wife who divorces her husband who's begging in tears for her to stay is a monster. She is brutal and cold-hearted. She cannot fathom her fate on Judgment Day in God's court of Law. Many wives divorce their husbands because of the toothpick in his eye; while overlooking the beam in her own eye. **Matthew 7:5, "Thou hypocrite, first cast out the beam out of thine own eye; and then shalt thou see clearly to cast out the mote out of thy brother's eye."** Oh, how evil is the sin of divorce!

Nearly every spouse who files for divorce has some self-righteous excuse to break their marriage vows. Everyone has a reason for the sins they commit. I don't care what "he or she did," you made a promise to God on your wedding day to stay with

your spouse until death. There were no disclaimers in your marriage vows. **Jeremiah 3:20**, "Surely as a wife treacherously departeth from her husband, so have ye dealt treacherously with me, O house of Israel, saith the LORD." In God's court, those who file for divorce will face the harshest judgment. While you're listing your handful of alleged sins why you divorced your husband, God is going to list your thousands of sins that condemn you. When God gets through with you, I promise you that you'll weep bitter tears for divorcing and realize that you were just as big a sinner, if not bigger, than the spouse you divorced. I actually heard a woman say she divorced her husband for looking at pornography. I'm not justifying the evil sin of pornography, but that, nor any other sins, gives you a right to divorce. Jesus taught to forgive 70 times 7 (Matthew 18:22). Yet, you've got apostate preachers running around saying it's ok to divorce. Jesus said to FORGIVE 70 times 7. That's what the Bible teaches!

Homosexuals like Ellen DeGeneres are praised, received and accepted into American society as model citizens; but she will be harshly judged in God's court for breaking His Commandments. Homosexuality is a sin, a mental disorder caused by a heart of utter rebellion and wickedness against the truth of God's Word. Fifty years ago, the American Psychiatric Institute recognized and treated homosexuals as mentally-ill patients. Now everything has changed to fit the immoral collapse of American society into a toilet bowl of iniquity. America is a stinking sewer morally. All of the charitable acts, goodwill and humanitarian aid donated by America's heathen entertainers will not help them on Judgment Day. The damage those *Hollywood*, *Playboy*, *Walt Disney*, *Dallas Cowboy Cheerleaders* and *Country Music Television* whores are doing by making bed scenes, stripping naked and going around 95% naked are destroying TENS-OF-MILLIONS of families worldwide!!! Only God knows the extent of wickedness being spawned by their immoral behavior, immodest clothing and whorish ways. It is evil beyond description. Judgment Day is coming for all you whorish women and adulterous men who create lasciviousness in the hearts of people. You will be sorry, I can promise you that.

There's a sicko scene in the movie *INDEPENDENCE DAY* (1996), where Mary McDonnell (who plays the First Lady Marilyn Whitmore) asks Vivica A. Fox (who plays Jasmine Dubrow in the movie) what she does for a living. Jasmine says, "I'm an exotic dancer (a stripper)". Marilyn says, "I'm sorry" (which is the correct answer any decent person would give). Jasmine responds by defending her stripping by saying, "Don't be, my baby's worth it" (i.e., providing for her son). Leave it to Hollywood to subliminally teach people through their sicko movies that stripping is an acceptable way to make a living. Let me tell you right now, if you're a stripper, you're committing evil against God. You're the cancer that's ruining America. Yes, God loves you, but you're ruining society and are spitting in God's face.

You have no idea how much trouble you are in with God, for the marriages you've ruined, the families you've destroyed and the immorality you've created. You are disobeying the Scriptures to dress modestly (1st Timothy 2:9). Get right with God! Put some clothes on! Stop living for the Devil! The movie *INDEPENDENCE DAY* was produced by sinful people who couldn't care less about God, decency, Christianity or doing what's moral. They just want to make a buck and brainwash the public at the

same time. American society legalizes stripping; while outlawing protesting abortions outside abortion clinics. We're a sicko society of hypocrites. You can legally be be homosexual, fornicate, murder your baby in the womb, worship Satan, gamble, go to [nude beaches with your children](#), [walk around Vermont naked](#), make pornography; but you'll go to jail for [preaching the Bible at Liberty Bell](#).

America has forgotten God. Wickedness abounds everywhere. So many people just don't care anymore. Apathy is everywhere. Most women don't even try to dress modestly any more. Everywhere we go we see whorish advertising and lewd business displays. I wish the Lord would come back now and Rapture the Church out of here, because I'm sick of this sin-cursed world. Children have never treated their parents so horribly as they do nowadays, lying and harshly hurting their own parents. I can't believe the things I'm reading in the news. 2nd Timothy 3:1-7 foretold that in the Last Days children would grow up to become disobedient to parents, false accusers, fierce, unholy, unthankful, without natural affection, et cetera. We are living in these Last Days. The New World Order is upon us. The Police State is here. Satan is the god of the sinful world; but God is the highest Authority. Amen.

**Ecclesiastes 8:12, "Though a sinner do evil an hundred times, and his days be prolonged, yet surely I know that it shall be well with them that fear God, which fear before him."** We are living in some evil times, when men like Gene Simmons of the Rock group, *KISS*, can brag on national TV of fornicating with 4,600 women and society has no problem with that; but Americans to this day won't stop condemning Jimmy Swaggart for the one prostitute he allegedly solicited. A godly man can't mess up even once without being condemned for the rest of his life; but the wicked can live the most vile and sinful lives without any reproach, shame or condemnation from America's demonically-inspired public. The hellivision has destroyed America!

No one talks about the 120-years that while Noah was building the ark, people sinfully laughed and mocked at his preaching in unbelief. No, they focus on the one time Noah got drunk. King David may have committed adultery and killed a man, but he did 10,000 times more good with his life than people gave him credit for in the latter days of his life. David lost his family, his kingdom, his wives, his son, his friends, his reputation, et cetera. David lost everything, but God forgave him (Psalm 51). God sees the hypocrisy of the wicked. God sees how the righteous man is unfairly attacked. God will judge in perfect knowledge, because he sees everything and knows everything.

Let's keep our minds in the Scriptures and our hearts on Heaven. Satan can rob us of everything in this world; but he can't rob us of our name written in Heaven. Amen. Satan cannot rob us of our walk with God, nor of our peace of knowing that God is still on His throne and will make everything right in His own time. God is always in control.

Millions of Americans tune in nightly to watch Conan O' Brian and other sickos like Sarah Silverman blaspheme God, make a mockery of sin, and attack the precious Savior. Thankfully, Jesus Christ will win the war against these evildoers!

*“Therefore hell hath enlarged herself, and opened her mouth without measure: and their glory, and their multitude, and their pomp, and he that rejoiceth, shall descend into it. And the mean man shall be brought down, and the mighty man shall be humbled, and the eyes of the lofty shall be humbled: But the LORD of hosts shall be exalted in judgment, and God that is holy shall be sanctified in righteousness.” —Isaiah 5:14-16*
